

Trimmer Job description

If you know a bit about upholstery and motor trimming, we want to hear from you! We are a world renowned, classic motor vehicle restoration business located on the Southside of Brisbane at Salisbury. We have been restoring valuable vintage and classic cars in Brisbane since 1988. We have completed and delivered more than 500 restoration projects for customers Australia wide and overseas. Our customers demand a high level of all round finish. Many enter classic car concours where we often win many awards around the world. We have restored cars for the Mercedes Benz Classic Centre in Germany and have won many other world-class concourses such as Pebble Beach Concours d'Elegance. These restorations are very expensive, costing hundreds of thousands.

We offer the highest quality in the industry for the select few which can afford such things. - Are reliable, punctual and conscientious.
- Willing to learn and take direction.
- Able to work autonomously on tasks.
- Able to work in a team environment and independently.
- Full working rights in Australia.

As our ideal candidate, you will possess the following skills and attributes:

- Experience in the industry with all aspects of motor trimming. - Experience with industrial sewing/upholstery.
- Strong attention to detail and be able to work under pressure.
- Have excellent organisational and time management skills. - Clean personal presentation.

We will offer you:

- Full time Monday to Friday work with flexibility in start/finish times (once probation period finishes).
- Uniforms supplied.
- A friendly and supportive working environment with opportunities for development and room for advancement.
- Pay is based on industry experience and skill and will be determined by the Director.
